Stay in the world-famous Zaanse houses

The 4-star hotel features a striking façade of stacked Zaanse houses, finished in four different traditional Zaan region shades of green. The rooms are modern and luxurious, with subtle references to the rich history of the Zaan area: its historic products, the workers of the past, and the families that made the region famous.

In short, history combined with contemporary comfort. Intel Hotels Amsterdam Zaandam offers not only charming nostalgic rooms but also a Wellness Club with a swimming pool and Bar & Restaurant Puur Saen. It is the perfect starting point to explore the Zaan region and is only a 12-minute train ride from Amsterdam.

Meetings & Events

Behind the iconic Zaanse houses lies a stunning venue for your conference, meeting, or stylish event. Intel Hotels Amsterdam Zaandam offers 7 modern meeting rooms with a historic atmosphere, accommodating up to 150 guests.
